HOSPITAL STAFF PARAMEDICS CARERS COMMUNITY STAFF

Lord Jesus, thank you for the NHS providing free medical care in this country. Thank you for the staff who are committed to helping people to get better or die with dignity. Please give them strength to carry on in the COVID-19 pandemic. Amen.

I know what it is to be in need, and I know what it is to have plenty. I have learned the secret of being content in any and every situation, whether well fed or hungry, whether living in plenty or in want. I can do all this through him who gives me strength.

(Philippians 4 v 12-13)

We may not know what the future holds.

But we know who holds the future.

God created the world – it belongs to Him and He will keep it spinning until Jesus returns. Jesus suffered for us on the cross. He understands our pain and draws close to comfort us.
